

# CITIZEN'S CHARTER

## I. MANDATE

The MONCADA WATER DISTRICT mandate is contained in PD 198, as amended, declaring a national policy favoring local operation and control of water systems; authorizing the formation of local water districts and providing for the government and administration of such districts.

1. Acquiring, improving, maintaining and operating water supply and distribution systems for domestic, industrial, municipal and agricultural uses for residents and lands within the boundaries of such districts;
2. Providing, maintaining and operating wastewater collection, treatment, and disposal facilities; and
3. Conducting such other functions and operations incidental to water resource development, utilization and disposal within such districts.

## II. VISION

A reliable partner of the Local Government Unit in their effort to improve the quality of life for a better community.

## III. MISSION

To provide a 24-hour service of potable water at the cheapest price.

## IV. SERVICE PLEDGE

We, the staff and employees of Moncada Water District, commit to serve and provide 24/7 service of efficient, adequate, reliable, and potable water that will improve the quality of life for a better community and attend to all applicants or requesting parties who are within the premises of the office prior to the end of official working hours and during lunch breaks.

## V. APPLICATION FOR NEW SERVICE CONNECTION

New Service Connection is one of the front-line services offered by the Moncada Water District (MWD) to all residents of Moncada, Tarlac, and San Manuel, Tarlac, who are interested/willing to apply for a water service connection of Moncada Water District. This service is open to residential (households), commercial (establishments / business), and government (office / agency).
